

First Commitments for Funding Year 2006

Fri 4/21/2006 9:55 AM

USAC Will Release First Commitments for Funding Year 2006 in the Schools and Libraries Program April 26 (4-20-06)

The Universal Service Administrative Company (USAC) today announced it will release wave one of funding commitment decision letters (FCDLs) to Funding Year 2006 school and library applicants April 26. USAC will send over 4,880 letters committing more than \$126.4 million in Universal Service Fund support. This first wave of FY2006 is being released two months earlier than the first wave in FY2005. The letters notify applicants of funding commitments for Priority One services (telecommunications and Internet access) for all discount bands from 20% - 90%
