

Summer E-Rate Workshops Schedule

Fri 6/9/2006 11:51 AM

Attached you will find a copy (PDF) of my summer **Beginner Workshop** schedule or you may download this from at:

<http://tpesc.esc12.net/eratepresentations.htm>. If you wish to attend any of these workshops, please contact the ESC at which the training will occur for registration information. You'll notice that there are some 'face-to-face' workshops and some presented over the TETN network. I hope you will all consider this opportunity for your district personnel and take advantage of this workshop. If you're going to attend, please remember that each of these workshops require the purchase of a manual which takes one month prior notice to guarantee shipment prior to the workshop. The order forms for this manual can be located at: <http://tpesc.esc12.net/eratepresentations.htm>.

In addition, I have scheduled some **Veteran Workshops** for FY 10 (2007-2008). Those workshop dates are as follows:

<u>Date</u>	<u>Location</u>	<u>Time</u>
9/26/06	ESC 10	9:00 - 1:00
9/27/06	ESC 14	9:00 - 1:00
10/4/06	TETN	9:00 - 1:00
10/13/06	ESC 4	9:00 - 1:00
10/18/06	ESC 20	9:00 - 1:00

Again, if you wish to attend any of these trainings, please contact the specific ESC and register. There are no materials to purchase for this workshop.
