

Year 9 (2006-07) Wave 30 E-rate Funding Committed

Tue 11/14/2006 10:07 AM

Congratulations to the following 20 Texas schools that will be receiving Year 9, Wave 30 E-rate Funding Commitment Letters, totaling \$ **1,166,604.40**. A summary of each commitment is listed below, and funding commitment letters should be arriving soon. If you find that your funding commitment letter does not arrive in a timely manner, please call the SLD ASAP to get a replacement (888-203-8100). All Year 9 correspondence will be sent in **YELLOW**.

A wave will be arriving every week until the Year 9 funding is exhausted. This wave consists of requests for Priority 1 services (telecom and Internet) and Priority 2 (internal connections and basic maintenance of internal connections). When you are contacted by the SLD's PIA review team, please respond to them within 7 days. The sooner you respond, the sooner your funding requests will be approved. If you do not respond PIA will make decisions from the information they have which may not be in your best interest. So, to avoid that, make sure Block 1 information is correct so they can reach you!

NEXT STEP: FILE THE 486 NOW!

This form tells the SLD 3 things:

1. that they are authorized to pay invoices (either BEAR or SPIFs)
2. that your technology plan has been approved (and by which SLD-certified approver). Note: If your technology plan has not yet been approved by TEA or other certified approver, you may *not* file the 486 until it has been approved.
 1. that you are CIPA compliant.

The online Form 486 is available at: <http://www.sl.universalservice.org/menu.asp> and I encourage you to use the PDF version.

NOTE: Because the funding year has begun, there is no need to check item 6A on the Form 486. That item is to indicate that you will be filing your 486 before the funding year begins.

If you have any questions, please contact me at erate@esc12.net.
