

Year 10, Wave 23 E-Rate Funding Committed

Thu 10/4/2007 8:09 AM

Congratulations to the following Texas schools that will be receiving Year 10, Wave 23 E-Rate Funding Commitment Letters, totaling **\$5,661,427.29**. A summary of each commitment is listed below. If you find that your funding commitment letter does not arrive in a timely manner, please call the SLD as soon as possible to get a replacement (888-203-8100). All Year 10 correspondence will be sent on **PINK** paper so be watching for those papers so you can keep all your E-Rate documents in the correct funding year.

A wave will be arriving every week until the Year 10 funding is exhausted. This wave consists of requests for both Priority 1 and Priority 2 services. There are many, many more waves coming, and your commitment will be in one of the upcoming waves.

The next step is to file the Form 486 which tells the SLD it's OK to pay invoices, who approved your technology plan, and that you are CIPA compliant. The FY 2007 Form 486 is available at: <http://www.sl.universalservice.org/menu.asp>.
