

## Year 11 (2008-09) Wave 16 E-Rate Funding

Mon 7/28/2008 7:47 AM

Congratulations to the following Texas schools that will be receiving Year 11, Wave 16 E-Rate Funding Commitment Letters, totaling \$ **4,413,355.94**. Wave 16 will be released on: 7/29/2008. A summary of each commitment is listed below. Priority 2 funding at 90% level included. If you find that your funding commitment letter does not arrive in a timely manner, please call the SLD ASAP to get a replacement (888-203-8100). All Year 11 correspondence will be sent in **BLUE**.

A wave will be arriving every week until the Year 11 funding is exhausted. This wave consists of requests for Priority 1 services (telecom and Internet), with funding for Priority 2 equipment and services (internal connections and basic maintenance of IC) at the 90% level. There are many, many more waves coming, and if you have not yet received your commitment, it will be in one of the upcoming waves.

The next step for those entities funded in Waves 1-16 will be to file the Form 486 which tells the SLD it's OK to pay invoices, who approved your technology plan, and that you are CIPA compliant. [The Online Form 486 for FY 2008 is available at http://www.sl.universalservice.org/menu.asp](http://www.sl.universalservice.org/menu.asp). Please be certain **not** to file the 486 unless your technology plan has been approved covering FY 2008!
