

Year 12 (2009-2010) Wave 15 E-Rate Funding Committed!

Thu 7/30/2009 11:07 AM

Congratulations to the following Texas schools that will be receiving Year 12, Wave 15 E-Rate Funding Commitment Decision Letters, totaling **\$1,350,298.61**. A summary of each commitment is listed below. All Year 12 correspondence will be sent in **Yellow**.

A wave will be arriving every week until the Year 12 funding is exhausted. This wave consists of requests for Priority 1 services (telecom and Internet). There are many, many more waves coming, and your commitment will be in one of the upcoming waves.

The next step for those entities funded in Waves 1-15 will be to file the Form 486 which tells the SLD it's OK to pay invoices, who approved your technology plan, and that you are CIPA compliant. The Online Form 486 for FY 2009 is available at <http://www.slforms.universalservice.org/Form486exp/SearchEntity.aspx>. Because the funding year has now begun, there is no requirement to check 6A on the form which indicated early filing.

If you have any questions, please contact us at erate@esc12.net
