

Year 12 (2009-2010) Wave 6 E-Rate Funding Committed!

Tue 6/2/2009 7:20 AM

Congratulations to the following Texas schools that will be receiving Year 12, Wave 6 E-Rate Funding Commitment Decision Letters, totaling **\$848,032.75**. A summary of each commitment is listed below. All Year 12 correspondence will be sent in **Yellow**.

A wave will be arriving every week until the Year 12 funding is exhausted. This wave consists of requests for Priority 1 services (telecom and Internet). There are many, many more waves coming, and your commitment will be in one of the upcoming waves.

The next step for those entities funded in Waves 1-6 will be to file the Form 486 which tells the SLD it's OK to pay invoices, who approved your technology plan, and that you are CIPA compliant. The Online Form 486 for FY 2009 is available at <http://www.slforms.universalservice.org/Form486exp/SearchEntity.aspx> and applicants listed below may file the form early as long as your technology plan has been approved and your recurring services will begin on or before July 31, 2009.
